## Children's Rights and Entitlements

At Wattisham Airfield Childcare Centre we fully believe in upholding children's rights. We promote children to be strong, resilient and listened to by creating an environment in our setting that encourages children to develop a positive self image, which includes their heritage arising from their ethnicity, their languages spoken at home, their religious beliefs, cultural traditions and home background.

- We promote children to be strong, resilient and listened to by encouraging children to develop a sense of autonomy and independence.
- We promote children's right to be strong, resilient and listened to by enabling children to have the self-confidence and the vocabulary to resist inappropriate approaches.
- We help children to establish and sustain satisfying relationships within their families, with peers, and with other adults.
- We work with parents to build their understanding of, and commitment to, the principles of safeguarding all our children.
